**WARNING:** Falsifying your registration is a Category E felony (NRS 293.800).

Welcome to the Effective Absentee System for Elections (EASE) program for Nevada uniformed service members, their families, and citizens residing outside the U.S.

If you are an eligible military or overseas voter, EASE will guide you through the following steps to register (or confirm registration status) and provide you with your actual absentee ballot to mark and return:

1. Affirm and declare your eligibility as a military or overseas voter
2. Provide personal information to verify identity
3. Confirm personal information and signature
4. Mark, review, and confirm ballot selections
5. Select return method of your choice (email, fax, or mail), download, and return ballot

If the information retrieved by EASE requires corrections or updates, please make the necessary changes. Failure to provide accurate information may result in the system's inability to retrieve your existing registration record and will require you to contact your county election official directly.

Please note: EASE will not electronically submit your ballot to the county election official. Instructions for returning your ballot materials (including by email) will be provided once you complete your absent ballot.
